Please describe work, volunteer, or life experiences that you have had that would prepare you for being a member of this group.

What skills and abilities do you have that would be helpful in doing the work of this group?

With what you know about this area, what do you see as the three most significant issues this group will need to address in the next 2 years?

Do you have any personal suggestions or ideas you would like to see this group discuss or projects to consider?

What one or two contributions do you think you would make, in the short term (first few months) and in the long term (after a year)?

Do you have any potential conflicts of interest serving on this board?
